

Teknique School of Dance

September 8th, 2018

Dear Parents and Students,

Welcome to our 14th dance season! I'm looking forward to dancing with our new and returning students who will be attending Teknikue School of Dance (TSD) for our 2018-2019 dance season! Our Teknikue dance family of instructors and assistants continues to grow each and every year. As many of our instructors are previous students, they bring their wealth of knowledge and experiences with them, as they mentor our future dancers.

All of our staff are looking forward to another fantastic year as we teach the "tekniques". We are well trained, experienced instructors and assistants, dedicated to giving your children the dance education that they need to succeed in feeling confident in achieving success in their dance creativity. These are lessons learned that they'll carry with them as they become young adults.

As Statutory Holidays typically fall on Mondays, Holiday Monday classes will be shifted to another date. For the switched dates, please be sure to read the following page and mark them on your calendar.

Please don't forget to sign up for our dance studio app this year. This app will keep parents up to date with studio news, reminders of fundraisers as well as give you the ability to see what your child has learned in class and needs to practice for the week. If you would like to be a part of this app please fill out the form attached and return it to the office so we can add you to our group. (Please remember to check your junk mail if you have not received an email inviting you to use the app).

Please take a moment to review the "Important Reminders" section on the next page to ensure you are kept up-to-date with the latest fundraising updates and studio news.

We hope to have a fun-filled year of dancing as we work towards our year-end recital. Stay tuned for more details as they become available.

We look forward to seeing all the familiar faces again as well as welcoming our new ones into our Teknikue Dance Family as we begin another dance season together. And as always, don't forget to have a Toe Tapping Day!

Best Regards,

Sarah Schumacher
Director, Teknikue School of Dance
